PARENT OR GUARDIAN NETWORK USAGE AGREEMENT (to be read and signed by parents or guardians of students who are under 18.)

As the parent or legal guardian of this student, I have read, understand and agree that my child or ward shall comply with the terms of the School District's computer network and the Internet. I understand that access is being provided to the students for educational purposes only. However, I also understand that it is impossible for the school to restrict access to all offensive and controversial materials and understand my child's or ward's responsibility for abiding by the Policy and Agreement. I am therefore signing this Policy and Agreement and agree to indemnify and hold harmless the school, the school district and the data acquisition site that provides the opportunity to the school district for computer network and Internet access against all claims, damages, losses and costs that may result from my child's or ward's misuse of his or her access to such networks or his or her violation of the foregoing Policy and Agreement. I accept full responsibility for supervision of my child's or ward's use of his or her access account if and when such access is not in the school setting. I hereby give permission for my child or ward to use the building-approved account to access the school district's computer network and Internet.

I also understand and agree that if my child or ward intentionally causes damage to any system or computer equipment, I am responsible for the cost of repair and/or replacement of same.
